DETAILS

Abeyance Code Bulletin Re: Smiths Falls or Toronto Belleville Run Through Crews Running To or From Lambton

Audience - All T&E employees at Smiths Falls and Toronto, Ontario

Please be advised that the abeyance code **TSF1** has been assigned to the issue of Smiths Falls or Toronto Belleville Run Through Crews running to or from Lambton in accordance with Arbitrator Stout's "CPR and TCRC Lambton Award". The abeyance code must be referenced on all IP claims regarding this issue. It should be noted that this issue is currently in dispute and the Company maintains that this payment is not payable. Notwithstanding, the Company has agreed to hold the 100 mile IP claims of this nature in abeyance until the matter is resolved.

Until a final arbitration ruling is made or matter resolved regarding your claim(s) it will be held in abeyance and can be viewed in your time slip inquiry displayed as "awaiting approval".

If making a similar claim(s) of this type in the future, please submit as a stand-alone IP claim for the amount of miles being claimed, and indicate that these claims are to be held in abeyance by typing **"Abeyance TSF1 – Along with appropriate remarks such as times, location, and brief description of event "** in the remarks field.

Note that you will not receive another declination letter on these types of claims until the issue is resolved.
